

CHRISTMAS

Blessings

FOR LIVINGSTON COUNTY SENIORS

WEDNESDAY 18 – WEDNESDAY 16
NOVEMBER DECEMBER

Christmas is a time of wonder and joy for most of us. However, many seniors are homebound and low-income. Winter months are a tough time of year with higher utility costs that affect their ability to purchase food or life-saving medications on their limited incomes.

Christmas Blessing helps those seniors providing them with a “box” of personal care and household basics, shelf stable food, and a small Christmas gift that is often their only gift.

Won't you join us bringing help, hope and love to local homebound and low-income seniors this Christmas Season?
